

Are you familiar with DECSY's *Global Collections?*

Special Offer for schools - limited time only

These collections of authentic objects and supporting teaching materials bring countries to life by giving children the chance to handle real objects, see images and film clips, and engage in meaningful activities to challenge their perceptions about different cultures. They are available for loan to all DECSY member schools for 6 week periods.

As part of a project to update and promote our Global Collections we are able to make two **special offers** to schools for 2011:

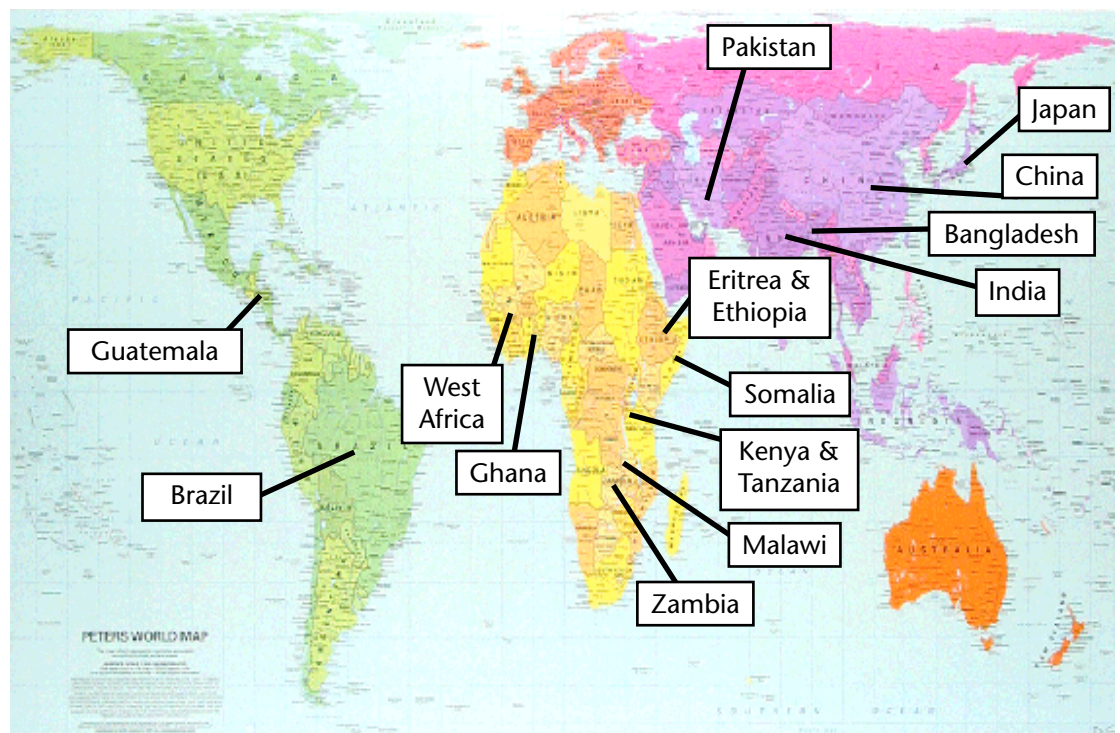

Special Offer 1

Borrow one of the Global Collections and you can access two hours time with a trained Cultural Mentor from DECSY – either to help with planning your global topic and lessons or to help deliver one of the activities.

Special Offer 2

A Cultural Mentor will attend a staff training day or meeting to introduce some of the Collections, share ideas for using cultural objects in the classroom and demonstrate some taster activities, at no cost to the school.

We have Collections from each of these countries or regions:

If your school is interested in finding out more about the Global Collections or either of the special offers above, please contact Helen at DECSY - helen.griffin@decsy.org.uk
