

Please circulate to subject leaders/coordinators and senior leaders with responsibility for geography, literacy, the global dimension and sustainability.

Exploring Global Climate Change in the Primary School through Story

Wednesday 30 June 2010, 09.30-15.30

Venue: Development Education Centre (South Yorkshire), Scotia Works, Sheffield.

Cost: £25

This day will provide an opportunity to explore local/global connectedness empowering you to become more effective global citizens, supporting you and your school to take action on Climate Change. We will use story as a basis for work with pupils across the primary age range while maintaining a focus on 'pupil voice' and an exploration of issues.

Tutors: Helen Griffin, South Yorkshire Development Education Centre; Wendy North, The Geographical Association

Further information can be found at: www.geography.org.uk/climatechangeconference and at <http://www.decsy.org.uk/>
