Government Response

The e-petition asking the Prime Minister to "Stop proposed restrictions regarding photography in public places" is on-going. This is a response in advance of the closing date from the Government.

Thank you for signing the petition on the Downing Street website calling for the Prime Minister to stop proposed restrictions on photography in public places.

This petition has already attracted over 60,000 signatures from people who obviously share your concern. Not surprisingly, the idea that the Government might be poised to restrict your ability to take photos has caused some
